922 KAR 2:090. Section 10. Director Requirements and Responsibilities. (1) A director shall: (I) Assure the health, safety, and comfort of each child;	
Findings: General: Based on interview and review of video footage taken on 05/08/19 of the playground by the childcare center, the surveyor found that a staff member grabbed a three-year-old child's right arm, between the wrist and elbow. The staff pulled the child forcibly by the arm, causing injury to the child's elbow, across the playground. The child was visibly upset and crying. The child sat down on the ground, holding her arm at the elbow. Therefore, the child's health, safety and comfort were compromised. During interview, staff stated she did have the child by the arm to walk her back across the playground.
