Supervision	In Compliance
Staffing Requirements	In Compliance
Director Requirements	Not In Compliance
350 - Health, Safety, Comfort	Not In Compliance

922 KAR 2:090. Section 10. Director Requirements and Responsibilities.

(1) A director shall:

(l) Assure the health, safety, and comfort of each child;

Findings:

General: Based on Observation, it was found that on 4/17/18 at 12:15 according to video footage which was observed by HSS, one staff appeared to get up from a chair and pick an infant up without cradling the infant's head. This video showed the infants head flop back and then forward with force. Staff then moved in a jerking fast motion around with the infant. Staff then opened a swing then with a kicking motion of her foot moved the swing legs into position. She then with force and a quick motion put the infant into the swing. She then returned to her seat.

420 - Program of Activities Followed

Not In Compliance

922 KAR 2:120. Section 2. Child Care Services.

- (4) The child-care center shall provide a daily planned program:**
- (a) Posted in writing in a conspicuous location with each age group and followed;**
 - (b) Of activities that are individualized and developmentally appropriate for each child served;**
 - (c) That provides experience to promote the individual child's physical, emotional, social, and intellectual growth and well-being; and**
 - (d) Unless the child-care center is a before- or after-school program that operates part day or less, that offers a variety of creative activities including the following:**
 - 1. Art or music;**
 - 2. Math or numbers;**
 - 3. Dramatic play;**
 - 4. Stories and books;**
 - 5. Science or nature;**
 - 6. Block building or stacking;**
 - 7. Tactile or sensory activity;**
 - 8. Multi-cultural exposure;**
 - 9. Indoor or outdoor play in which a child makes use of both small and large muscles;**
 - 10. A balance of active and quiet play, including group and individual activity;**
 - 11. An opportunity for a child to:**
 - a. Have some free choice of activities;**
 - b. If desired, play apart from the group at times;**

Findings:

General: Based on Observation, it was found that after reviewing video footage from 4/17/18 that the staff in the infant room did not engage with the infants during play. Although they had a daily and weekly schedule posted in the room. The infants were moved into containing devices or layed on the floor and were not engaged by staff for excessive periods of time (over thirty mintues). The infants would at times be redirected from harm or moved back into a postion/location but were not actively engaged by staff to promote social social and emotional growth. At one point in the video footage one staff member was rocking an infant who was seated in a bouncer with her foot. Her foot was placed on top of the bouncer by the infant's head. Throughout the video footage reviewed for the day of 4/17/18 the staff were engaged on their phone, looking at what appeared to be a book or each other more often than they were with the infants present.
