Supervision	**In Compliance**
Staffing Requirements	**In Compliance**
Premises	**Not In Compliance**

540 - Premises Requirements — **Not In Compliance**

922 KAR 2:120. Section 4. Premises Requirements.
(1) The premises shall be:
(a) Suitable for the purpose intended;
(b) Kept clean and in good repair;

Findings:

General: Based on observation and interview, the child care center failed to maintain the premises in accordance with regulatory requirements. Observation in the three and four-year-old classroom revealed that water was leaking from overhead. Interview with director revealed that the air conditioner unit was not in good repair as it was leaking water from above the classroom through the ceiling into the classroom and being contained in a large garbage can.

580 - Floors, Walls, Ceilings — **Not In Compliance**

922 KAR 2:120. Section 4. Premises Requirements.
(9) Floors, walls, and ceilings shall be smooth, in good repair, and constructed to be easily cleaned.

Findings:

General: Based on observation and interview, the child care center failed to maintain the premises in accordance with regulatory requirements. Observation in the three and four-year-old classroom revealed water leaking from the ceiling into the three and four-year-old classroom into a large plastic garbage can. Several tiles of the dropped ceiling were water damaged and removed. Interview with the director revealed that the air conditioner unit was in disrepair and leaking.
