Supervision

5 - Children Supervised

Not In Compliance

922 KAR 2:120. Section 2. Child Care Services.

- (3)(a) Each center shall maintain a child-care program that assures each child will be:**
- 1. Provided with adequate supervision at all times by a qualified staff person who:**
 - a. Ensures the child is within scope of vision and range of voice; or**
 - b. For a school-age child, within scope of vision or range of voice;**

Findings:

General: Based on interview, it was learned that a preschool age child was in the restroom stall using the toilet while another preschool age child was washing his hands at the sink. The staff person left the restroom doorway to walk down the hallway approximately ten (10) feet to check on five (5) other children. When the staff person returned to the restroom three to four (3-4) minutes later, the child who was washing his hands had entered the restroom stall and stuck his finger in the other child's butt.

General Administration

165 - Child Abuse/Neglect Report

Not In Compliance

922 KAR 2:110. Reports.

(2) An incident of child abuse or neglect shall be reported to the cabinet pursuant to KRS 620.030.

Findings:

General: Based on interview, it was learned that staff had concerns about a preschool age child's behavior within the past few months, and did not report to DCBS or law enforcement as required. The behavior included the following: on one (1) occasion, the child placed his penis on the rim of the toilet and hit his penis with the toilet lid; on another occasion staff found the child drinking from the toilet after he had urinated in it; within the past three (3) weeks, the child was found licking the rim of the toilet. Staff stated that the child beats his head on the floor or wall and then cries because he had hurt himself.
