Supervision	
5 - Children Supervised	Not In Compliance
922 KAR 2:120. Section 2. Child Care Services. (3)(a) Each center shall maintain a child-care program that assures each child will be: 1. Provided with adequate supervision at all times by a qualified staff person who: a. Ensures the child is within scope of vision and range of voice; or b. For a school-age child, within scope of vision or range of voice; Findings: General: Based on Interview the childcare center failed to maintain supervision in accordance with regulatory requirements. Interview with staff revealed a two-year-old child had been brought to the gym at 05:45p.m. for parent pick up and the child's presence was not acknowledged by the supervising staff member in the gym. The parent arrived at 05:50 p.m. and the staff member was unable to identify the location of the child. The two-year-old child was located, after a search by the staff and parent, outside of the building with his left arm wedged in the partially closed exit door of the gym that leads directly to the parking lot at 05:58 p.m. Therefore the two-year-child was not within sight or sound of the staff from approximately 05:45 p.m. to 05:58 p.m.
