Director Requirements	
265 - Health, Safety, Comfort	Not In Compliance
922 KAR 2:110. Section 4. Director Requirements and Responsibilities. (1) Effective with the adoption of this administrative regulation, a director shall: (I) Provide for the health, safety, and comfort of each child;	
Findings: General: Based on interview, the following was found: (1) On 4/19/13, a staff member refused to give a three-year-old child her blanket because the staff member only allows children to have personal items during naptime. Since naptime was over, the child's blanket was put away. The staff member allowed the child to cry for a minimum of thirty (30) minutes before giving the child her blanket. (2) On 4/19/13, a staff member grabbed a three-year-old child by the arm, pulled her up off the floor, and seated her in a chair. The staff member then placed the child in the hallway outside the classroom because the child continued to cry.
