795 - Individual Bed/Mat/Cot and Bedding	Not In Compliance
922 KAR 2:120. Section 6. Sleeping and Napping Requirements. (3) Rest time shall include adequate space specified by the child's age as follows: (b) For a toddler or preschool-age child: 1. An individual bed, a two (2) inch thick waterproof mat, or cot in good repair; and 2. Bedding that is in good repair and is changed: a. Weekly; or b. Immediately if it is soiled or wet.	
Findings: General: Based on Observation, mats used for sleeping throughout the center were found to have ripped or broken edges which were still in use by the children at naptime. The mats were observed to be ripped and torn at each corner, but did not have any rips or tears on the sides or on the front or back side. The rips or tears did expose the material inside the mat which could be accessible to children.	
Food Service	In Compliance
