Written documentation received in the DRCC office from the staff person in charge at the facility stated that a child tripped and fell at the facility on 4/19/17 (Wednesday) which resulted in a cut above the child's right eye. The written documentation further indicated that the child's mother picked the child up after the incident and told the staff person in charge that she was taking the child to be examined by a physician. However, the incident was not reported to the DRCC office until 4/21/17 (Friday).
