Not In Compliance

Findings:

General: Based on review of documentation, the center's written emergency evacuation plan did not include a designated relocation site and evacuation route, procedures for notifying parents of the relocation and ensuring family reunification, procedures to address the needs of individual children including children with special needs, instruction relating to the training of staff or the reassignment of staff duties, coordination with local emergency management officials, and a program to ensure that appropriate staff are familiar with the plan's components. In addition, since the center has not completed a written emergency evacuation plan that includes all of the previously listed components, a copy of the plan has not been provided to appropriate local emergency management officials and to each parent, custodian, or guardian of each child enrolled at the center.
