Inspection Report	
General Administration	Not In Compliance
210 - Licensee Responsibility	Not In Compliance
922 KAR 2:090. Section 8. General. (1) A licensee shall: (a) Be responsible for the operation of the child-care center pursuant to this administrative regulation, 922 KAR 2:120, and 922 KAR 2:280; and (b) Protect and assure the health, safety, and comfort of each child.	
Findings: General: Based on observation of video footage from the One Year Old Classroom, the surveyor observed a broom that was placed beside a sink and a dust pan placed on the floor near the sink of the classroom. The surveyor observed a child in the video to pick up the broom and start to walk away from the sink; however, the child dropped the broom and it fell to the floor beside the staff person and another child. The broom and dust pan were observed to be within reach and accessible to the children. Therefore, the children's health and safety was compromised.
