922 KAR 2:120. Section 2. Child Care Services.

(4) The child-care center shall provide a daily planned program:

- (a) Posted in writing in a conspicuous location with each age group and followed;
- (b) Of activities that are individualized and developmentally appropriate for each child served;
- (c) That provides experience to promote the individual child's physical, emotional, social, and intellectual growth and well-being; and
- (d) Unless the child-care center is a before- or after-school program that operates part day or less, that offers a variety of creative activities including:

- 1. Art or music;
- 2. Math or numbers;
- 3. Dramatic play;
- 4. Stories and books;
- 5. Science or nature;
- 6. Block building or stacking;
- 7. Tactile or sensory activity;
- 8. Multi-cultural exposure;
- 9. Indoor and outdoor play in which a child makes use of both small and large muscles;
- 10. A balance of active and quiet play, including group and individual activity;
- 11. An opportunity for a child to:
 - a. Have some free choice of activities;
 - b. If desired, play apart from the group at times;

Findings:

General: Based on interview and review of documentation, the staff in charge did not present verification that the daily activity of programming was posted in writing that had been updated to reflect the current week that included the activities that are individualized and developmentally appropriate for the classroom.

922 KAR 2:090. Section 9. Records.

(1) A child-care center shall maintain:

(b) A written record for each child:

1. Completed and signed by the child's parent;

2. Retained on file on the first day the child attends the child-care center; and

3. To contain:

a. Identifying information about the child, which includes, at a minimum, the child's name, address, and date of birth;

b. Contact information to enable a person in charge to contact the child's:

(i) Parent at the parent's home or place of employment;

(ii) Family physician; and

(iii) Preferred hospital;

c. The name of each person who is designated in writing to pick-up the child;

d. The child's general health status and medical history including, if applicable:

(i) Allergies;

(ii) Restriction on the child's participation in activities with specific instructions from the child's parent or health professional; and

(iii) Permission from the parent for third-party professional services in the child-care center;

e. The name and phone number of each person to be contacted in an emergency involving or impacting the child;

f. Authorization by the parent for the child-care center to seek emergency medical care for the child in the parent's absence;

Findings:

General: Based on documentation review, the staff in charge did not present verification that the child care center had maintained enrollment records to include a current listing of a preferred hospital for the children enrolled on 08/25/2021 and 09/13/2021. The record for a child with the enrollment date of 09/13/2021 did not contain information listing a physician and medical information.
