922 KAR 2:090. Section 8. General. (1) A licensee shall: (a) Be responsible for the operation of the child-care center pursuant to this administrative regulation, 922 KAR 2:120, and 922 KAR 2:280; and (b) Protect and assure the health, safety, and comfort of each child.	
Findings: General: Based on interview and review of documentation, the surveyor found that on 7/13/2021, a two-year-old child fell on top of an infant, and attempted to bite the infant. The staff person, who was sitting on the floor next to the infant, yanked the two-year-old child to the floor by his arm, and pulled the child behind her across the carpet to prevent him from biting the infant. The two-year-old child cried, and received some redness to his knees; however, the redness quickly disappeared. The staff person expressed that she did not mean to harm the child. The action taken by the staff was not an appropriate response.
