Staffing Requirements	In Compliance
Hygienic Practices	Not In Compliance
<b>710 - Staff Communicable Disease</b>	<b>Not In Compliance</b>

**922 KAR 2:120. Section 3. General Requirements.**  
**(6) A staff person suspected of being infected with a communicable disease shall:**  
**(a) Not perform duties that could allow for the transmission of the disease until the infectious condition can no longer be transmitted; and**  
**(b) Provide a statement of fitness to return to work from a health professional, if requested.**

**Findings:**

General: Based on interview, this regulatory requirement was not met. During the investigation it was found that facility placed a staff member, who was suspected of being infected with a communicable disease and not feeling well, to perform duties in two classrooms for approximately four (4) hours while waiting for the test results. When the test results came back positive the staff member was allowed to leave.
