  - 2. Names a director, employee, volunteer, or person with supervisory or disciplinary control over, or having unsupervised contact with a child in care as the alleged perpetrator.

**Findings:**

General: Based on Interview, it was found that on 5-22-13, a child fell and hit his head on a shelf, resulting in a laceration. When the child was picked up from the facility, his grandmother told the teacher that she was taking him to the emergency room. The child was brought back to the facility later that same afternoon and the director was told that he had been taken to the emergency room. This incident was not reported to the DRCC office.
