Inspection Report**Director Requirements****265 - Health, Safety, Comfort****Not In Compliance****922 KAR 2:110. Section 4. Director Requirements and Responsibilities.**

- (1) Effective with the adoption of this administrative regulation, a director shall:**
(l) Provide for the health, safety, and comfort of each child;

Findings:

Based on interview and written documentation, it was determined that a staff member has restrained children using her legs to hold them as a form of punishment. Multiple staff members revealed that they had witnessed this staff member restrain children for time periods ranging from one minute up to twenty minutes. Staff stated that the children being restrained varied in ages from two years to 4 years old.

Programming**375 - Waiting Period****Not In Compliance****922 KAR 2:120. Section 2. Child Care Services.**

- (8) A child shall not be required to stand or sit for a prolonged period of time:**
(a) During an activity;
(b) While waiting for an activity to start; or
(c) As punishment.

Findings:

General: Based on Interview and written documentation, it was determined that a child, age two years, is placed in a high chair for varying amounts of time throughout the day; times ranged from as long as two minutes minutes to over ten minutes. Staff members also stated that this occurs daily and more than once throughout a day. Staff members also confirmed that this is used as a form of punishment for this child to try to keep him in the classroom.

450 - Appropriate Use of Food**Not In Compliance****922 KAR 2:120. Section 9. Food and Meal Requirements.**

- (2) Food shall not be:**
(a) Used for reward;
(b) Used for discipline;
(c) Withheld until all other foods are consumed; or
(d) Served while viewing electronic devices.

Findings:

General: Based on Interview and written documentation, it was determined that there are times when staff will wait to give children their milk until after they have eaten some of their food. One teacher stated that if there is a child that tends to drink their milk first, she will wait until they eat some of their food before giving them their milk. This teacher stated that this is because the child would fill up on milk and then not want to eat their meal.
