Inspection Report	
General Administration	Not In Compliance
90 - Have Director	Not In Compliance
922 KAR 2:090. Section 6. License Issuance. (11) To qualify for a preliminary license, or maintain a regular license, a child-care center shall: (g) Have a director who meets the requirements listed in 922 KAR 2:110.	
Findings: General: Based on review of documentation, the child care center failed to comply with the regulatory requirements in regards to having an approved director. A request for a change of director was received by DRCC on 10/16/2017; however, the request failed to include all required documentation to verify the named director's qualifications. Upon request for the additional documentation, no documentation was submitted for review. Therefore, the center fails to have an approved director.
