**(1) Effective with the adoption of this administrative regulation, a director shall:**
**(l) Provide for the health, safety, and comfort of each child;**

**Findings:**

General: Based on Interview, a two-year-old child was taken to the local emergency room to have a thumbtack removed from his right nostril on 12/11/16. Interviews determined the child possibly obtained the thumbtack from the two-year-olds' classroom. The staff used this particular type of thumbtack to decorate a corkboard, in the two-year-olds' room, approximately two (2) weeks prior to the thumbtack being discovered in the child's nose. No one was aware the thumbtack was in the child's nose.
