210 - Licensee Responsibility **Not In Compliance**

922 KAR 2:090. Section 8. General.
(1) A licensee shall:
(a) Be responsible for the operation of the child-care center pursuant to this administrative regulation, 922 KAR 2:120, and 922 KAR 2:280; and
(b) Protect and assure the health, safety, and comfort of each child.

Findings:

General: Based on review of documentation and interview, this regulatory requirement was not met. On 3/1/21, the facility reported that a staff person was placed on administrative leave for lifting a one-year-old child by the forearm. An interview with staff during the investigation found that the child was sitting on the floor crying when the staff person pulled on the child's forearm to get her to stand up and walk to a play area. The child did not put her feet on the floor when the staff person pulled her up; therefore, the child was lifted up off the floor and carried a few feet by her arm. The child did not have any marks as a result of the incident.
