	No. of Children Present: 175	

Inspection Report	
General Administration	Not In Compliance
180 - Plan of Correction/15 days	Not In Compliance
922 KAR 2:090. Section 14. Statement of Deficiency and Corrective Action Plans. (2) Except for a violation posing an immediate threat as handled in accordance with KRS 199.896(5)(c), a child-care center shall submit a written corrective action plan to the cabinet or its designee within fifteen (15) calendar days of the date of the statement of deficiency to eliminate or correct the regulatory violation.	
Findings: A PLAN OF CORRECTION WAS DUE ON 12/06/2019 AND AS OF 12/17/2019, THE PLAN OF CORRECTION HAS NOT BEEN RECEIVED.	
Director Requirements	Not In Compliance
350 - Health, Safety, Comfort	Not In Compliance
922 KAR 2:090. Section 10. Director Requirements and Responsibilities. (1) A director shall: (I) Assure the health, safety, and comfort of each child;	
Findings: General: Based on review of documentation and interview, this regulatory requirement was not met. The facility reported that on 9/16/19, at 11:15 AM, a child's finger was injured when he leaned back in a chair and smashed it between his seat and the top of the classroom table. The facility incident report stated that the child had a bruise on the side of his finger. Interviews conducted during the investigation revealed that the child initially cried out when the incident occurred and ice was applied to the injury; however, the child ate lunch, took a nap and played fine in the classroom the remainder of the day. The child was taken to the emergency room for treatment later in the evening and was diagnosed with a chipped bone at the tip of his ring finger.
