General: Based on Observation, upon arrival at the facility at 8:10 a.m. there were twenty-four (24) children on the playground with one (1) staff person. In an interview with that staff person it was determined that the children on the playground ranged in age from two (2) years to five (5) years old. According to the staff person, another staff person was inside the facility changing a child's diaper. The required child/staff ratio for this age group is one (1) staff for every ten (10) children with a maximum group size of twenty (20) children. The other staff person returned to the playground at 8:16 a.m.
