Inspection No: 245518		

Inspection Report	
Supervision	Not In Compliance
90 - Children Supervised 922 KAR 2:120. Section 2. Child Care Services. (3)(a) Each center shall maintain a child-care program that assures each child will be: 1. Provided with adequate supervision at all times by a qualified staff person who ensures the child is: a. Within scope of vision and range of voice; or b. For a school-age child, within scope of vision or range of voice;	Not In Compliance
Findings: General: Based on Observation, a video showed three (3) caregivers attentively playing a card game at a table, while two (2) mobile infants/toddlers were playing on a mat behind the three (3) caregivers in the toddler I room on 6/13/18. A child was in a bouncer next to the table and a caregiver used her foot to bounce the child as she played the card game. The caregiver removed the child from the bouncer, placed the child on the floor with the other two (2) infants/toddlers, and returned to the card game. The caregivers did not provide adequate supervision to the three (3) mobile infants/toddlers and showed more attention to the card game.
