| Findings: | |
| <p>General: Based on Observation and interview, this regulatory requirement was not met. At the time of the visit (10:45AM) it was found that three (3) staff were caring for a group of thirty (30) children (age range: 4 - 5 years old) on the playground. Since the youngest child in the group was a four year old, the maximum group size would need to be twenty-eight (28) children. The facility exceeded the group size by two (2) children. The staff person in-charge identified the two (2) groups present on the playground as the Aquarium Classroom and the Art Museum Classroom and stated that they combine daily on the playground from 10:45AM - 11:15AM.</p> | |
