General Administration	
140 - Reports to Cabinet	
922 KAR 2:110 - Section 6 Reports. (1) The following shall be reported to the cabinet or designee and other agencies specified in this section within twenty-four (24) hours from the time of discovery: (a) Communicable disease, which shall also be reported to the local health department pursuant to KRS 214.010; (b) An accident or injury to a child that requires medical care; (c) An incident that results in legal action by or against the child-care center that affects a child or staff person; or (d) An incident involving fire or other emergency.	
2) Accident/Injury;	Not In Compliance
Findings: General: Based on Interview, it was found that a staff member indicated that she was notified on 10/05/11 by Child #1's parent when she came to get the child that she was going to take the child to the emergency room. The staff member stated that the parent spoke to Child #1's pediatrician on the phone on 10/05/11 and the doctor recommended the mother take the child to the emergency room. The staff member indicated that she received a text from the staff in charge later that night indicating that she had spoken to Child #1's mother and the child was doing okay. The facility did not notify the cabinet within twenty-four (24) hours from the time of discovery of an accident to a child that required medical care.
