Findings:

General: Based on interview and review of records, the child care center failed to maintain employee records in accordance with regulatory requirements. Record review revealed that notification of a substantiation of child abuse against a staff person employed by the center was received on 10/15/12 by the local DRCC office. Phone interview with center staff on 10/30/12 revealed that said staff person was hired on 9/11/12 and remained employed at the center.
