Date Initiated: 11/03/2017 11:30 AM	Date Concluded: 11/03/2017 12:00 PM	
	No. of Children Present: 56	

Inspection Report	
Supervision	In Compliance
Staffing Requirements	In Compliance
General Administration	In Compliance
Director Requirements	Not In Compliance
265 - Health, Safety, Comfort	Not In Compliance
922 KAR 2:110. Section 4. Director Requirements and Responsibilities. (1) Effective with the adoption of this administrative regulation, a director shall: (l) Provide for the health, safety, and comfort of each child;	
Findings: General: Based on Interview, it was found that on 10/13/2017 a nine (9) year old child received three (3) blisters to his wrist when hot liquid from a bowl of soup that he was carrying spilled on his wrist. In an interview with the staff in charge, they stated that the soup was too hot when served to the child and stated that new procedures have been put in place to ensure that hot soup is not served to the children in care.	
First Aid/Medication	Not In Compliance
660 - Medication Administration	Not In Compliance
922 KAR 2:120. Section 7. First Aid and Medicine. (4) Prescription and nonprescription medication shall be administered to a child in care: (a) With a daily written request of the child's parent. (b) According to the directions or instructions on the medication's label.	
Findings: General: Based on Interview, it was found that a staff person applied mustard to a child's injury when he was burned by hot liquid from the soup he was carrying. In an interview with the staff person, she stated that she knew she was not able to apply ointment to the child's injury and decided to apply mustard because she had once heard that mustard "takes the sting out of the burn."
