Supervision

5 - Children Supervised

Not In Compliance

922 KAR 2:120. Section 2. Child Care Services.

(3)(a) Each center shall maintain a child-care program that assures each child will be:

1. Provided with adequate supervision at all times by a qualified staff person who:

- a. Ensures the child is within scope of vision and range of voice; or**
- b. For a school-age child, within scope of vision or range of voice;**

Findings:

General: Based on Interview, on 01/09/15, the preschool staff person was in the kitchen cleaning up while the children laid down for nap. The staff person stated that a four (4) year old child was running around with other children and fell hitting the back of her head. The staff person did not see the incident occur but when she went back into the classroom the child was crying and had blood on her hands. The child had a large gash to the back of her head. The staff person did not know what caused the gash to her head. The kitchen is approximately nine (9) feet away from the preschool classroom. The classroom is not visible from the kitchen.
