Observation revealed staff working alone in the Infant / Toddler Room, Two-Year room and After School Room. Review of staff files revealed that the employees in the above mentioned rooms were not qualified to be working alone as the Criminal Records Check and / or Child Abuse and Neglect documentation was not available for review. Interview with director revealed that the documents have not yet been returned completed for the staff observed in the Infant / Toddler Room and had not been printed for the staff observed in the Two-Year-Old Room and School Age Room.
