Staffing Requirements	Not In Compliance
125 - Ratios and Group Size	Not In Compliance

922 KAR 2:120. Section 2. Child Care Services.
(2) For an operating child-care center, minimum staff-to-child ratios and group size shall be maintained as established in the table established in this subsection.

Age of Children	Ratio	Maximum Group Size*
Infant	1 staff for 5 children	10
Toddler	12 to 24 months	1 staff for 6 children
Toddler	24 to 36 months	1 staff for 10 children
Preschool-age	3 to 4 years	1 staff for 12 children
Preschool-age	4 to 5 years	1 staff for 14 children
School-age	5 to 7 years	1 staff for 15 children
School-age	7 and older	1 staff for 25 children
	(for before and after school)	30
	1 staff for 20 children	
	(full day of care)	30

*Maximum Group Size shall be applicable only to Type I child-care centers.
(b) The age of the youngest child in the group shall determine the:
1. Staff-to-child ratio; and
2. Maximum group size.

Findings:
General: Based on observation during a tour of the facility, the surveyor and staff in charge entered the room 105, which contains three and four-year-old children. Upon entering this classroom, there were 13 children with one staff member; therefore, the classroom was over ratio by one child. The staff in charge reported that the last child in the classroom had just arrived to the facility from preschool and she had not yet been able to make adjustments to the classrooms so that none of the rooms were over ratio.
