Inspection Report

Director Requirements

265 - Health, Safety, Comfort

Not In Compliance

922 KAR 2:110. Section 4. Director Requirements and Responsibilities.

- (1) Effective with the adoption of this administrative regulation, a director shall:**
(I) Provide for the health, safety, and comfort of each child;

Findings:

General: Based on Observation, it was found that on 04/07/2014, one (1) car seat was observed to not be buckled in that contained a child. The van was being driven on a road at the time of the observation. It was also found on 04/08/2014 that the children being picked up from Mary Todd Elementary were not buckled into their seats. The children were observed to load on to the vehicle and the vehicle immediately pulled out of the driveway. Interview with a staff person also found that the staff on the vehicle do not check to make sure that the children are buckled in their seats. The staff stated that the children get on the van and they pull off of the school's property.

Transportation

865 - Seating

Not In Compliance

922 KAR 2:120. Section 12. Transportation.

- (10) Each child shall:**
(a) Have a seat;
(b) Be individually belted or harnessed in the seat; and
(c) Remain seated while the vehicle is in motion.

Findings:

General: Based on Observation, it was found that on 04/07/2014, one (1) car seat was observed to not be buckled in that contained a child. This observation was made while the vehicle was being driven on a public road. It was also found on 04/08/2014 that the children being picked up from Mary Todd Elementary were not buckled into their seats. The children were observed to load on to the vehicle and the vehicle immediately pulled out of the driveway. Interview with a staff person also found that the staff on the vehicle do not check to make sure that the children are buckled in their seats. The staff stated that the children get on the van and they pull off of the school's property.
